The Liberty Library is an indispensable resource for patriots and truth-seekers alike. From timeless books and rare documents to exclusive John Birch Society publications, it offers a wealth of knowledge that equips readers to understand our history, recognize present dangers, and defend our freedoms. More than just a library, it's a living archive of truth and principle—preserving the wisdom needed to safeguard liberty for future generations.¶

Mark, I wanted to thank you from our staff at JBS and membership who will and have appreciated the sacrifice to create such a valuable resource.¶

Thank you!¶

Wayne Morrow¶

CEO/JBS¶
